On Tuesday of this week the children of the second grade brought many beautiful bouquets of flowers and a wreath, made by themselves in memory of their teacher, Miss Anna Mabel Minthorn.

### Girl Hurt By Stone

Yesterday afternoon a Shizuno was going to the depot, a naughty boy threw a stone and hit Shizuno on the head. It cut her head. It was a deep cut. It bled very badly. So she had to go to Miss Darbie. Miss Darbie bandaged her head.

The boy was very sorry. I think he will never throw stones again.—Ehizuko Ikeda, Grade III-A.

### Waihee School Letters

Editor Maui News:

Dear Sir: Mr. Judd is sending us a little Community Citizen paper every week which contains good news. We appreciate it very much.

Mrs. Bohr, the district nurse came to our school Monday, March 1, and told our teacher to tell all the children to tell their mothers to let them buy a glass of milk every day at 12 o'clock which will cost only 2½ cents. They want the children to become strong and healthy.

Mr. Childs will come to our school someday to teach us games. Our teacher wants us to learn the indoor base ball and volley ball.

Sunday Miss Mashimo, with about 30 children, went up the Waihee Valley. We started about 9:30. We took our lunches along with us. She took our pictures in several places. After having our luncheon we played games. When we came back it was 1:30. We all enjoyed ourselves.—Sophia Sequiera, Waihee School.

Editor Maui News:

Dear Sir: A daughter was born to Mr. and

### Up-Country Teachers Enjoy Beach Outing

"When fun and duty clash."

"Let duty go to smash!"

This was the attitude of the teachers in the Pala-Makawao District Teachers' Association last Friday afternoon—after their duty in the school room was ended—for they were off for a good time, a swim and a steak-roast at the Paia cement plant.

All of those teachers within a radius of four miles hiked the distance that is all except a few exceptions who put up a hard corn story.

Transportation was furnished the teachers in the outlying schools and thus a goodly number was accorded the pleasure of the evening.

After a most enjoyable swim, the crowd gathered around the fire where the steak was being prepared. The bountiful lunch was spread and no one showed any hesitancy in participating.

After the picnic supper a short business session was held during which plans for another outdoor excursion were made.

Spontaneous entertainment was not lacking as the forty teachers sat on the sand around the fire. Mr. White, Miss Ball, Miss Trauer, and Miss McCled, seemed to be the most spontaneous, although all joined in the old time melodies.

It was not until after the rain began to fall that the happy, care-free crowd felt at all an urge to abandon the cheerful fire and "goodly company."

### Talk By Miss Shepherd

One morning last week, Miss Shepherd, who is visiting Mrs. D. C. Lindsay, of Paia, spoke to the older students in the Paia School and gave them a most interesting account of some of her experiences as a Red Cross nurse in war time.

Her address was greatly enjoyed by the children who had never before heard such thrilling tales.

Mrs. Antonio Nobrega on March 2, 1920.

Mrs. Bohr, our Waihee School nurse hadn't been here for a long time. On March 1, Mrs. Bohr came to our school to speak with Mrs. Austin. She said that every child in our school should have a glass of milk during the noon recess to drink with the bread. By drinking milk it would make us healthier and stronger and helps us to play our games better.

The children of the Waihee School are playing lots of games during the recess.—Esther Ahi.

Editor, Maui News:

Dear Sir: Mr. Eichinger, the boss of the dairy, who has been wounded by Penhallow's bull, returned home from the hospital last week.

In our school we have all sorts of games which the teachers teach us. Most of the girls want dodge ball and the boys want the ball game.

Masano Ota, once a pupil of the Waihee School, was in Honolulu. Her parents received a wireless saying she is dead.

Mrs. Bohr, the nurse says that school children must drink milk and Mr. Penhallow is going to sell it to the school children at 10 cents a quart. It is from the Waihee Dairy.—Frank Tishima.
